

## Data, Dashboards and Design...Oh My!

Project Title	Data, Dashboards and Design...Oh My!
Project Summary	The US Department of Education's Office of Postsecondary Education needs your forward thinking design skills to create a SharePoint 2013 data dashboard to streamline our customer satisfaction survey data.
Country	United States
Agency	Education Department
DoS Office	N/A
Post	N/A
Section	N/A
Number of Interns	1

## Project Description

You will create a special tool called the "Survey Scorecard", a nifty and nimble info-graphic that allows employees to view key data points with ease and clarity. You will utilize creative data visualization and graphic design to help shape how we present important information to US Dept of ED stakeholders.

## Desired Skills Interests

## Additional Information

Think of this internship as a chance to produce a data visualization portfolio and learn about how the Federal government uses data to drive organizational performance!
